Right Management Named Global Leader in Talent and Workforce Consulting with Prestigious ALM Vanguard Rating

Right Management Recognized for Preparing Next Generation Leaders and Helping Companies Manage Talent in a Digital World

MILWAUKEE, Nov. 3, 2017 /PRNewswire/ -- Right Management, the global career and talent development expert within ManpowerGroup (NYSE: MAN) has received the prestigious ALM Vanguard™ Leader rating in Talent and Workforce Consulting. Right Management rose to the top for accelerating performance during business transformation through managing and developing an organization's most important asset - its people.

"Everything we do at Right Management is focused on helping our clients win in today's complex and ever changing world of work," said Bram Lowsky, executive vice president, Americas, Right Management. "To be a leader in our field means that we consistently and successfully deliver strong outcome-based talent and career management solutions to our clients that are tied to the needs of their business and that enable them to grow and win in the marketplace. We are delighted to be recognized by ALM Intelligence as a Vanguard Leader, as further validation of the strength and success of our talent management consulting approach and expertise."

The ALM Vanguard rating recognized Right Management for its depth of career management talent and workforce consulting expertise, ability to independently execute projects across a wide range of clients and its deep understanding of the unique challenges faced by industries across the globe in a Digital Age.

"By working with clients so they understand the implications of the digital era on the workforce, Right Management brings a comprehensive consulting approach to design and deliver practical solutions to effectively manage talent while driving agility, business outcomes and competitiveness across the enterprise," says Liz DeVito, associate director and lead for human resource consulting research with ALM Intelligence. "The talent and workforce consulting platform of Right Management is grounded in research to help clients effectively implement an action plan that improves business performance."
