#### Item 6. Indemnification of Directors and Officers

Sections 180.0850 to 180.0859 of the Wisconsin Business Corporation Law ("WBCL") require a corporation to indemnify a director or officer, to the extent that he or she has been successful on the merits or otherwise in the defense of a proceeding, which includes any threatened, pending or completed civil, criminal, administrative or investigative action, suit, arbitration or other proceeding, whether formal or informal, which involves foreign, federal, state or local law and which is brought by or in the right of the corporation or by any other person, for all reasonable expenses incurred in the proceeding if the director or officer was a party because he or she is a director or officer of the corporation. A corporation is obligated to indemnify a director or officer against liability incurred by the director or officer in a proceeding to which the director or officer was a party because he or she is a director or officer of the corporation, of which such liability includes the obligation to pay a judgment, settlement, penalty, assessment, forfeiture or fine, including an excise tax assessed with respect to an employee benefit plan, and all reasonable expenses including fees, costs, charges, disbursements, attorney fees and other expenses, unless such liability was incurred because the director or officer breached or failed to perform a duty which the director or officer owes to the corporation and the breach or failure to perform constitutes: (i) a willful failure to deal fairly with the corporation or its shareholders in connection with a matter in which the director or officer has a material conflict of interest; (ii) a violation of criminal law, unless the director or officer had reasonable cause to believe that his or her conduct was lawful or no reasonable cause to believe that his or her conduct was unlawful; (iii) a transaction from which the director or officer derived an improper personal profit; or (iv) willful misconduct.

Unless otherwise provided in a corporation's articles of incorporation or by-laws or by written agreement, the director or officer seeking indemnification is entitled to select one of the following means for determining his or her right to indemnification: (i) by majority vote of a disinterested quorum of the board of directors, or if such quorum of disinterested directors cannot be obtained, by a majority vote of a committee duly appointed by the board of directors of two or more disinterested directors; (ii) by independent legal counsel; (iii) by a panel of three arbitrators; (iv) by affirmative vote of shareholders; (v) by a court; or (vi) with respect to any additional right to indemnification, by any other method permitted in Section 180.0858 of the WBCL.

Reasonable expenses incurred by a director or officer who is a party to a proceeding may be paid or reimbursed by a corporation at such time as the director or officer furnishes to the corporation a written affirmation of his or her good faith belief that he or she has not breached or failed to perform his or her duties to the corporation and a written undertaking to repay any amounts advanced if it is determined that indemnification by the corporation is not required.

The indemnification provisions of Section 180.0850 to 180.0859 are not exclusive. A corporation may expand a director's or officer's rights to indemnification: (i) in its articles of incorporation or by-laws; (ii) by written agreement; (iii) by resolution of its board of directors; or (iv) by resolution that is adopted, after notice, by a majority of all of the corporation's voting shares then issued and outstanding.

As permitted by Section 180.0858 of the WBCL, the Registrant has adopted indemnification provisions in its by-laws which closely track the statutory indemnification provisions of the WBCL with certain exceptions. In particular, Section 7.1(b) of the Registrant's by-laws, among other items, provides that: (i) an individual shall be indemnified unless it is proven by a final judicial adjudication that indemnification is prohibited; (ii) a director or officer is not entitled to

select independent counsel as a means for determining indemnification rights; and (iii) payment or reimbursement of expenses, subject to certain limitations, will be mandatory rather than permissive.

As permitted by Section 180.0857 of the WBCL, the Registrant has purchased directors' and officers' liability insurance that insures the Registrant's directors and officers against certain liabilities that may arise under the Securities Act.

In addition, the non-employee directors are also parties to an indemnification agreement with the Registrant.

#### **Item 9. Undertakings\***

The Registrant hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of the plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 5 of this Registration Statement, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

### 3. AWARDS AVAILABLE UNDER THE PLAN

The Administrator may grant Nonstatutory Stock Options, Incentive Stock Options, Restricted Stock, Restricted Stock Units, SARs, Performance Share Units and Deferred Stock under the Plan.

The Administrator shall have sole authority in its discretion, but always subject to the express provisions of the Plan and applicable law, to determine the Employees or Directors to whom Awards are granted under the Plan and the terms and provisions of each such Award, and to make all other determinations and interpretations deemed necessary or advisable for the administration of the Plan. The Administrator's determination of the foregoing matters shall be conclusive and binding on the Company, all Participants and all other persons.

#### 4. SHARES RESERVED UNDER PLAN

(a) The aggregate number of Shares which may be issued under the Plan pursuant to the exercise of Options and SARs, the grant of Restricted Stock, and pursuant to the settlement of Restricted Stock Units, Performance Share Units and Deferred Stock shall not exceed 3,000,000 Shares, which may be treasury Shares or authorized but unissued Shares, or a combination of the two, subject to adjustment as provided in Paragraph 13 hereof. For purposes of determining the maximum number of Shares available for issuance under the Plan, (1) any Shares which have been issued as Restricted Stock which are forfeited to the Company shall be treated, following such forfeiture, as Shares which have not been issued; (2) upon the exercise of an SAR or Option granted under the Plan, the full number of SARs or Options exercised at such time shall be treated as Shares issued under the Plan, notwithstanding that a lesser amount of Shares or cash representing Shares may have been actually issued or paid upon such exercise. For the sake of clarity, Shares withheld to satisfy taxes and Shares used to exercise an Option or SAR, either directly or by attestation, shall be treated as issued hereunder, and if an Option is exercised by using the net exercise method set forth in Paragraph 7(f), the gross number of Shares for which the Option is exercised shall be treated as issued for purposes of counting the Shares available for issuance under this Plan, not just the net Shares issued to the Participant after reduction for the exercise price and any required withholding tax.

(b) The aggregate number of Shares which may be issued under the Plan pursuant to the grant of Restricted Stock and pursuant to the settlement of Restricted Stock Units, Performance Share Units or shares of Deferred Stock granted under the Plan shall not exceed 1,875,000 (subject to adjustment as provided in Paragraph 13 hereof). For purposes of determining the maximum number of shares issuable under these types of Awards, any shares of Restricted Stock or Deferred Stock or any Restricted Stock Units or Performance Share Units which are forfeited to the Company, shall be treated, following such forfeiture, as Shares that have not been issued under the Plan.

(c) No Employee shall be eligible to receive grants of Options and SARs for more than an aggregate of 750,000 Shares during any three-year period (subject to adjustment as provided in Paragraph 13 hereof).

(d) The aggregate number of shares of Restricted Stock and Deferred Stock, plus the number of Restricted Stock Units and Performance Share Units granted to any one Employee during any fiscal year of the Company shall be limited to 150,000 (subject to adjustment as provided in Paragraph 13 hereof and excluding any such Awards which may vest based on the continued performance of services only, e.g., time-based vested Restricted Stock, Restricted Stock Units or Deferred Stock).

(e) In no event shall the number of Shares issued pursuant to the exercise of Incentive Stock Options exceed 1,000,000 Shares (subject to adjustment as provided in Paragraph 13 hereof).

#### 5. ADMINISTRATION OF THE PLAN

(a) The Plan shall be administered by the Board of Directors with respect to grants to Directors under the Plan provided, however, that discretionary awards to Directors under the Plan will be administered by the Board of Directors but without the participation of any members who at the time are not independent under the rules of the New York Stock Exchange.

(b) The Plan shall be administered by the Committee or by the Board of Directors with respect to grants to Employees under the Plan. Except as otherwise determined by the Board of Directors, the Committee shall be so constituted as to permit grants to be exempt from Section 16(b) of the Exchange Act by virtue of Rule 16b-3 thereunder, as such rule is currently in effect or as hereafter modified or amended ("Rule 16b-3"), and to permit the Plan to comply with Section 162(m) of the Code and any regulations promulgated thereunder, or any other statutory rule or regulatory requirements. The members of the Committee shall be appointed from time to time by the Board of Directors.

#### 6. ELIGIBILITY

(a) Directors shall be eligible to receive Nonstatutory Stock Options, Restricted Stock, Restricted Stock Units, Performance Share Units, SARs and Deferred Stock under the Plan.

(b) Employees shall be eligible to receive Nonstatutory Stock Options, Incentive Stock Options, Restricted Stock, Restricted Stock Units, Performance Share Units, SARs and Deferred Stock under the Plan. In determining the Employees to whom Awards shall be granted and the number of Shares to be covered by each Award, the Administrator may take into account the nature of the services rendered by the respective Employees, their present and potential contributions to the success of the Company, and other such factors as the Administrator in its discretion shall deem relevant.

(c) A Participant may be granted additional Awards under the Plan if the Administrator shall so determine subject to the limitations contained in Paragraph 4.

#### 7. OPTIONS: GENERAL PROVISIONS

Options granted under this Plan shall be subject to such terms and conditions not inconsistent with the Plan as the Administrator shall determine, including the following:

(a) Types of Options. An Option to purchase Shares granted pursuant to this Plan shall be specified to be either an Incentive Stock Option or a Nonstatutory Stock Option. Any grant of an Option shall be confirmed by the execution of an Option Agreement. An Option Agreement may include both an Incentive Stock Option and a Nonstatutory Stock Option, provided each Option is clearly identified as either an Incentive Stock Option or a Nonstatutory Stock Option.

(b) Maximum Annual Grant of Incentive Stock Options to Any Employee. The aggregate fair market value (determined at the time the Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any Employee during any calendar year under this Plan (and under all other plans of the Company or any Subsidiary) shall not exceed \$100,000, and/or any other limit as may be prescribed by the Code from time to time.

(c) Option Exercise Price. The per share purchase price of the Shares under each Option granted pursuant to this Plan shall be determined by the Administrator but shall not be less than one hundred percent (100%) of the fair market value per Share on the date of grant of such Option. The fair market value per Share on the date of grant shall be the Market Price on the date of grant of such Option.

(d) Exercise. An Option Agreement may provide for exercise of an Option in such amounts and at such times as shall be specified therein; provided, however, except as provided in Paragraph 7(g), below, or as otherwise determined by the Administrator, no Option granted to an Employee may be exercised unless that person is then in the employ of the Company or a Subsidiary and shall have been continuously so employed since its date of grant. Except as otherwise permitted by the Administrator, an Option shall be exercisable by a Participant's giving written notice of exercise to the Secretary of the Company accompanied by payment of the required exercise price.

(e) General Exercise Period. The Administrator may, in its discretion, determine the periods during which Options or portions of Options may be exercised by a Participant. Notwithstanding any limitation on the exercise of any Option or anything else to the contrary herein contained, except as otherwise determined by the Administrator at the time of grant, in connection with a Triggering Event, all outstanding Options shall become immediately exercisable upon any of the following:

(1) If the Company's shares remain publicly traded on a national securities exchange after the Triggering Event, upon termination of an Employee's employment by the Company other than for Cause, during a Protected Period or within two years following a Triggering Event.

(2) Upon a Triggering Event where the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event, unless the outstanding Options are converted, on a tax-free basis, into options over shares of an acquiring corporation that is publicly traded on a national securities exchange; or

(3) If the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event and the outstanding Options are converted, on a tax-free basis, into options over shares of an acquiring corporation that is publicly traded on a national securities exchange, upon termination of Employee's employment by the Company other than for Cause during a Protected Period or within two years following a Triggering Event.

In the event of accelerated vesting due to the termination of the Employee's employment during a Protected Period as described above, the accelerated vesting will occur as of the date of the Triggering Event. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of ten years from its date of grant. Every Option which has not been exercised within ten years of its date of grant shall lapse upon the expiration of said ten-year period unless it shall have lapsed at an earlier date.

(f) Payment of Exercise Price. The exercise price shall be payable in whole or in part in cash, Shares held by the Participant, other property, or such other consideration consistent with the Plan's purpose and applicable law as may be determined by the Administrator from time to time. Unless otherwise determined by the Administrator, such price shall be paid in full at the time that an Option is exercised. If the Participant elects to pay all or a part of the exercise price in Shares, such Participant may make such payment by delivering to the Company a number of Shares already owned by the Participant, either directly or by attestation, which are equal in value to the purchase or exercise price. All Shares so delivered shall be valued at the opening sale price per Share on the New York Stock Exchange on the date on which such Shares are delivered. The Administrator may, in its discretion, permit a Participant to exercise an Option on a "net exercise" basis. In such case, the Company will deliver that number of Shares to the Participant which equals the number of Shares for which the Option was exercised, reduced by the number of whole Shares (which the Company shall retain) with a value on the date of exercise (based on the opening sale price per Share on the New York Stock Exchange) equal to the exercise price and the required withholding tax at the time of exercise. To the extent the combined value of the whole Shares (valued at the opening sales price per share on the New York Stock Exchange on the day of exercise) is not sufficient to equal the exercise price and required withholding tax, the Participant must pay such difference in cash to the Company before delivery of the Shares will be made to the Participant.

(g) Cessation of Employee Status. With respect to Participants who are Employees, except as determined otherwise by the Administrator at the time of grant:

(1) Any Participant who ceases to be an Employee due to Retirement or due to early retirement with the consent of the Administrator shall have three (3) years from the date of such cessation to exercise any Option granted hereunder as to all or part of the Shares subject to such Option; provided, however, that no Option shall be exercisable subsequent to ten (10) years after its date of grant, and provided further that on the date the Participant ceases to be an Employee, he or she then has a present right to exercise such Option.

(2) Any Participant who ceases to be an Employee due to Disability shall have three (3) years from the date of such cessation to exercise any Option granted hereunder as to all or part of the Shares subject to such Option provided, however, that no Option shall be exercisable subsequent to ten (10) years after its date of grant an provided further that on the date the participant ceases to be an Employee, he or she then has a present right to exercise such Option or would have become entitled to exercise such Option had that Participant remained an Employee during such three-year period;

(3) In the event of the death of an Employee while an Employee, any Option, as to all or any part of the Shares subject to such Option, granted to such Employee shall be exercisable:

(A) for three (3) years after the Employee's death, but in no event subsequent to ten (10) years from its date of grant;

(B) only (1) by the deceased Employee's designated beneficiary (such designation to be made in writing at such time and in such manner as the Administrator shall approve or prescribe), or, (2) if the deceased Employee dies without a surviving designated beneficiary, by the personal representative, administrator, or other representative of the estate of the deceased Employee, or (3) by the person or persons to whom the deceased Employee's rights under the Option shall pass by will or the laws of descent and distribution; and

(C) only to the extent that the deceased Employee would have been entitled to exercise such Option on the date of the Employee's death or would have become entitled to exercise such Option had the deceased Employee remained an Employee during such three-year period.

(4) An Employee or former Employee who holds an Option who has designated a beneficiary for purposes of Subparagraph 7(g)(3)(B)(1), above, may change such designation at any time, by giving written notice to the Administrator, subject to such conditions and requirements as the Administrator may prescribe in accordance with applicable law.

(5) If a Participant ceases to be an Employee for a reason other than those specified above, that Participant shall have eighteen (18) months from the date of such cessation to exercise any Option granted hereunder as to all or part of the Shares subject thereto; provided, however, that no Option shall be exercisable subsequent to ten (10) years after its date of grant, and provided further that on the date the person ceases to be an Employee, he or she then has a present right to exercise such Option; further provided however, that for a person who ceases to be an Employee during a Protected Period because of a termination of that person's employment by the Company other than for Cause, he or she then has a present right on the date of the Triggering Event. Notwithstanding the foregoing, if a person ceases to be an Employee because of a termination of employment for Cause, to the extent an Option is not effectively exercised prior to such cessation, it shall lapse immediately upon such cessation.

(h) Extension of Periods. The Administrator may in its sole discretion increase the periods permitted for exercise of an Option if a Participant ceases to be an Employee as provided in Subparagraphs 7(g)(1), (2), (3) and (5), above, if allowable under applicable law; provided, however, in no event shall an Option be exercisable subsequent to ten (10) years after its date of grant.

(i) Transferability.

(1) Except as otherwise provided in this Paragraph 7(i), or unless otherwise provided by the Administrator, Options granted to a Participant under this Plan shall not be transferable or subjected to execution, attachment or similar process, and during the lifetime of the Participant shall be exercisable only by the Participant. A Participant shall have the right to transfer the Options granted to such Participant upon such Participant's death, either to the deceased Participant's designated beneficiary (such designation to be made in writing at such time and in such manner as the Administrator shall approve or prescribe), or, if the deceased Participant dies without a surviving designated beneficiary, by the terms of such Participant's will or under the laws of descent and distribution, subject to any limitations set forth in this Plan or otherwise determined by the Administrator, and all such distributees shall be subject to all terms and conditions of this Plan to the same extent as would the Participant.

(2) Nonstatutory Stock Options granted to Directors or to any Employee who is subject to Section 16 of the Exchange Act shall be transferable to members of the Participant's immediate family, to trusts for the benefit of the Participant and/or such immediate family members, and to partnerships in which the Participant and/or such family members are the only partners, provided the transferee agrees to be bound by any vesting or other restrictions applicable to the Participant with respect to the Options. For purposes of the preceding sentence, "immediate family" shall mean a Participant's spouse, children, descendants of children, and spouses of children and descendants. Upon such a transfer, the Option (or portion of the Option) thereafter shall be exercisable by the transferee to the extent and on the terms it would have been exercisable by the transferring Participant.

## 8. RESTRICTED STOCK / RESTRICTED STOCK UNITS

Restricted Stock or Restricted Stock Units granted under this Plan shall be subject to such terms and conditions not inconsistent with the Plan as the Administrator shall determine, including the following:

(a) Grants. The terms of any grant of Restricted Stock or Restricted Stock Units shall be confirmed by the execution of a Restricted Stock Agreement or a Restricted Stock Unit Agreement.

(b) Restrictions on Restricted Stock. Restricted Stock may not be sold, assigned, conveyed, donated, pledged, transferred or otherwise disposed of or encumbered for the period determined by the Administrator (the "Restricted Period"), subject to the provisions of this Paragraph 8. In the event that a Participant shall sell, assign, convey, donate, pledge, transfer or otherwise dispose of or encumber the Restricted Stock, said Restricted Stock shall, at the Administrator's option, and in addition to such other rights and remedies available to the Administrator (including the right to restrain or set aside such transfer), upon written notice to the transferee thereof at any time within ninety (90) days after its discovery of such transaction, be forfeited to the Company.

(c) Vesting Conditions. The Administrator shall determine the conditions under which Restricted Stock or Restricted Stock Units shall vest. The Administrator may set vesting conditions based solely upon the continued employment of a Participant who is an Employee or the continued service of a Participant who is a Director during the applicable vesting period and/or may specify vesting conditions based upon the achievement of specific performance objectives. Where Restricted Stock is granted subject to vesting conditions that are based upon the achievement of specific performance objectives, except as otherwise provided in this Section 8, the Restricted Period shall not end until the performance objectives have been achieved, as certified by the Committee or otherwise. For purposes of qualifying Restricted Stock or Restricted Stock Units as "performance-based compensation" under Section 162(m) of the Code, the Committee may set performance conditions based upon the achievement of Performance Goals. In such event, the Performance Goals shall be set by the Committee on or before the latest date permissible to enable the Restricted Stock or Restricted Stock Units to qualify as "performance-based compensation" under Section 162(m) of the Code and the Committee shall follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the Restricted Stock or Restricted Stock Units under Section 162(m) of the Code, including, without limitation, written certification by the Committee that the performance objectives and other applicable conditions have been satisfied before the Restricted Period shall end or the Restricted Stock Units are paid.

(d) Cessation of Employee Status. With respect to Participants who are Employees, except as determined otherwise by the Administrator at the time of grant:

(1) If a Participant ceases to be an Employee for any reason, then except as provided in Subparagraphs (d)(2) and (e), below, all Restricted Stock and unvested Restricted Stock Units held by such Participant shall be forfeited to the Company.

(2) In the event a Participant ceases to be an Employee on or after such person's normal Retirement date, or due to early retirement with the consent of the Administrator, or due to death or Disability, all restrictions applicable to any Restricted Stock then held by the Participant shall immediately lapse and all unvested Restricted Stock Units held by the Participant shall immediately vest.

(e) Vesting on Triggering Event. Except as determined otherwise by the Administrator, notwithstanding anything to the contrary herein contained, in connection with a Triggering Event, the restrictions applicable to any Restricted Stock then held by all Participants shall immediately lapse, and any Restricted Stock Units then held by all Participants shall immediately vest, upon any of the following:

(1) If the Company's shares remain publicly traded on a national securities exchange after the Triggering Event, upon termination of an Employee's employment by the Company other than for Cause, during a Protected Period or within two years following a Triggering Event.

(2) Upon a Triggering Event where the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event, unless the Restricted Stock or Restricted Stock Units are converted, on a tax-free basis, into similar restricted stock or restricted stock units based on the shares of an acquiring corporation that is publicly traded on a national securities exchange; or

(3) If the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event and the Restricted Stock or Restricted Stock Units are converted, on a tax-free basis, into similar restricted stock or restricted stock units based on the shares of an acquiring corporation that is publicly traded on a national securities exchange, upon termination of Employee's employment by the Company other than for Cause during a Protected Period or within two years following a Triggering Event.

In the event of accelerated vesting or a lapse of restrictions due to the termination of Employee's employment during a Protected Period as described above, the accelerated vesting will occur as of the date of the Triggering Event.

(f) Retention of Certificates for Restricted Stock. The Company will retain custody of the stock certificates representing Restricted Stock during the Restricted Period as well as a stock power signed by the Participant to be used in the event the Restricted Stock is forfeited to the Company.

(g) Transferability of Restricted Stock Units. Except as provided below, Restricted Stock Units may not be sold, assigned, conveyed, donated, pledged, transferred or otherwise disposed of or encumbered or subjected to execution, attachment, or similar process; provided, however, Shares distributed in respect of such Restricted Stock Units may be transferred in accordance with applicable securities laws. Any transfer, attempted transfer, or purported transfer of Restricted Stock Units by a Participant shall be null and void. A Participant shall have the right to transfer Restricted Units upon such Participant's death, either to the deceased Participant's designated beneficiary (such designation to be made in writing at such time and in such manner as the Administrator shall prescribe or approve), or, if the deceased Participant dies without a surviving designated beneficiary, by the terms of such Participant's will or under the laws of descent and distribution, subject to any limitations set forth in the Plan or otherwise determined by the Administrator, and all such distributees shall be subject to all terms and conditions of the Plan to the same extent as would the Participant.

(h) No Rights as Shareholders for Participants Holding Restricted Stock Units. No Participant shall have any interest in any fund or in any specific asset or assets of the Company by reason of any Restricted Stock Units granted hereunder, nor any right to exercise any of the rights or privileges of a shareholder with respect to any Restricted Stock Units or any Shares distributable with respect to any Restricted Stock Units until such Shares are so distributed.

(i) Distribution of Shares with Respect to Restricted Stock Units. Each Participant who holds Restricted Stock Units shall be entitled to receive from the Company one Share for each Restricted Stock Unit, as adjusted from time to time in the manner set forth in Paragraph 13, below. However, the Company, as determined in the sole discretion of the Administrator at the time of grant, shall be entitled to settle its obligation to deliver Shares by instead making a payment of cash substantially equal to the fair market value of the Shares it would otherwise be obligated to deliver, or by the issuance of a combination of Shares and cash, in the proportions determined by the Administrator, substantially equal to the fair market value of the Shares the Company would otherwise be obligated to deliver. The fair market value of a Share for this purpose will mean the Market Price on the business day immediately preceding the date of the cash payment. Except as otherwise determined by the Administrator at the time of the grant, Restricted Stock Units shall vest and Shares shall be distributed to the Participant in respect thereof as of the vesting date; provided, however, if any grant of Restricted Stock Units to a Participant who is subject to U.S. federal income tax is nonqualified deferred compensation for purposes of Section 409A of the Code, cash or Shares shall only be distributed in a manner such that Section 409A of the Code will not cause the Participant to become subject to penalties and/or interest thereunder; and provided, further, that no cash or Shares shall be distributed in respect of Restricted Stock Units prior to the date on which such Restricted Stock Unit vest.

(j) Dividends and Distributions with Respect to Restricted Stock Units. Except as otherwise provided by the Administrator at the time of grant, if a Participant holds Restricted Stock Units on the last day of any fiscal year of the Company, the Participant shall be credited as of such date with a number of additional Restricted Stock Units equal to the quotient of (i) the aggregate amount of dividends (or other distributions) which would have been received by the Participant during such fiscal year if the Restricted Stock Units held by the Participant (whether or not vested) on the record date of any such dividend or distribution had been outstanding common stock of the Company on such date, divided by (ii) the average of the Market Prices on the last trading day of each full or partial calendar quarter during such fiscal year in which the Participant held Restricted Stock Units. Where a distribution of Shares to a Participant in respect of Restricted Stock Units in accordance with Subparagraph 8(i) above is made before the end of the Company's fiscal year (due to vesting or otherwise), a pro rata portion (based on the date of distribution) of any Restricted Stock Units that would otherwise be credited to the Participant at the end of such fiscal year, but for the fact that the Participant will not continue to hold such Restricted Stock Units at the end of such fiscal year, shall be paid to the Participant in Shares at the time such Shares are distributed to the Participant in connection with dividends and/or distributions paid during the year to shareholders of record before such distribution of Shares, if any. Restricted Stock Units credited under this Subparagraph 8(j) shall vest and be distributed on the same terms and in the same proportions as the Restricted Stock Units held by a Participant as of the record date or distribution date shall vest.

## 9. SARs

Each SAR granted under this Plan shall be subject to such terms and conditions not inconsistent with the Plan as the Administrator shall determine, including the following:

(a) Grants. The terms of any grant of SARs shall be confirmed by the execution of an SAR Agreement.

(b) Grant Value. The Grant Value of each SAR granted pursuant to this Plan shall be determined by the Administrator, but shall not be less than one hundred percent (100%) of the fair market value per Share on the date of grant of such SAR. The fair market value per Share on the date of grant shall be the Market Price on the date of grant of such SAR.

(c) Exercise. An SAR Agreement may provide for exercise of an SAR by a Participant in such amounts and at such times as shall be specified therein; provided, however, except as provided in Paragraph 9(f) below, or as otherwise determined by the Administrator, no SAR granted to an Employee may be exercised unless that person is then in the employ of the Company or a Subsidiary and shall have been continuously so employed since its date of grant. Except as otherwise permitted by the Administrator, an SAR shall be exercisable by a Participant by such Participant giving written notice of exercise to the Secretary of the Company.

(d) General Exercise Period. The Administrator may, in its discretion, determine the periods during which SARs may be exercised by a Participant. Notwithstanding any limitation on the exercise of any SAR or anything else to the contrary herein contained, except as otherwise determined by the Administrator at the time of grant, upon the occurrence of a Triggering Event, all outstanding SARs shall become immediately exercisable upon any of the following:

(1) If the Company's shares remain publicly traded on a national securities exchange after the Triggering Event, upon termination of an Employee's employment by the Company other than for Cause, during a Protected Period or within two years following a Triggering Event.

(2) Upon a Triggering Event where the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event, unless the outstanding SARs are converted, on a tax-free basis, into SARs over shares of an acquiring corporation that is publicly traded on a national securities exchange; or

(3) If the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event and the outstanding SARs are converted, on a tax-free basis, into SARs over shares of an acquiring corporation that is publicly traded on a national securities exchange, upon termination of Employee's employment by the Company other than for Cause during a Protected Period or within two years following a Triggering Event.

In the event of accelerated vesting due to the termination of Employee's employment during a Protected Period as described above, the accelerated vesting will occur as of the date of the Triggering Event. Notwithstanding the foregoing, no SAR shall be exercisable after the expiration of ten years from its date of grant. Every SAR which has not been exercised within ten years of its date of grant shall lapse upon the expiration of said ten-year period unless it shall have lapsed at an earlier date.

(e) Rights on Exercise. An SAR shall entitle the Participant to receive from the Company that number of full Shares having an aggregate Market Price, as of the business day immediately preceding the date of exercise (the "Valuation Date"), substantially equal to (but not more than) the excess of the Market Price of one Share on the Valuation Date over the Grant Value for such SAR as set forth in the applicable SAR Agreement, multiplied by the number of SARs exercised. However, the Company, as determined in the sole discretion of the Administrator, shall be entitled to elect to settle its obligation arising out of the exercise of an SAR by the payment of cash substantially equal to the excess of the Market Price of one share on the Valuation Date over the Grant Value for such SAR as set forth in the applicable SAR Agreement, multiplied by the number of SARs exercised or by the issuance of a combination of Shares and cash, in the proportions determined by the Administrator, substantially equal to the excess of the Market Price of one share on the Valuation Date of the Shares over the Grant Value for such SAR as set forth in the applicable SAR Agreement, multiplied by the number of SARs exercised.

(f) Cessation of Employee Status. With respect to Participants who are Employees, except as determined otherwise by the Administrator at the time of grant:

(1) Any Participant who ceases to be an Employee due to Retirement or due to early retirement with the consent of the Administrator shall have three (3) years from the date of such cessation to exercise any SAR granted hereunder; provided, however, that no SAR shall be exercisable subsequent to ten (10) years after its date of grant, and provided further that on the date the Participant ceases to be an Employee, he or she then has a present right to exercise such SAR.

(2) Any Participant who ceases to be an Employee due to Disability shall have three (3) years from the date of such cessation to exercise any SAR granted hereunder provided, however, that no SAR shall be exercisable subsequent to ten (10) years after its date of grant and provided further that on the date the Participant ceases to be an Employee he or she then has a present right to exercise such SAR or would have become entitled to exercise such SAR had that person remained an Employee during such three-year period.

(3) In the event of the death of an Employee while an Employee, any SAR granted to such Employee shall be exercisable:

(A) for three (3) years after the Employee's death, but in no event later than ten (10) years from its date of grant;

(B) only (1) by the deceased Employee's designated beneficiary (such designation to be made in writing at such time and in such manner as the Administrator shall approve or prescribe), (2) if the deceased Employee dies without a surviving designated beneficiary, by the personal representative, administrator, or other representative of the estate of the deceased Employee, or (3) by the person or persons to whom the deceased Employee's rights under the SAR shall pass by will or the laws of descent and distribution; and

(C) only to the extent that the deceased Employee would have been entitled to exercise such SAR on the date of the Employee's death or would have become entitled to exercise such SAR had the deceased Employee remained employed during such three-year period.

(4) An Employee or former Employee who holds an SAR who has designated a beneficiary for purposes of Subparagraph 9(f)(3)(B)(1), above, may change such designation at any time, by giving written notice to the Administrator, subject to such conditions and requirements as the Administrator may prescribe in accordance with applicable law.

(5) If a Participant ceases to be an Employee for a reason other than those specified above, that Participant shall have eighteen (18) months from the date of such cessation to exercise any SAR granted hereunder; provided, however, that no SAR shall be exercisable subsequent to ten (10) years after its date of grant, and provided further that on the date the person ceases to be an Employee, he or she then has a present right to exercise such SAR; further provided however, that for a person who ceases to be an Employee during a Protected Period because of a termination of that person's employment by the Company other than for Cause, he or she then has a present right on the date of the Triggering Event. Notwithstanding the foregoing, if a person ceases to be an Employee because of a termination of employment for Cause, to the extent an SAR is not effectively exercised prior to such cessation, it shall lapse immediately upon such cessation.

(g) Extension of Periods. The Administrator may in its sole discretion increase the periods permitted for exercise of an SAR if a person ceases to be an Employee as provided in Subparagraphs 9(f)(1), (2), (3) and (5), above, if allowable under applicable law; provided, however, in no event shall an SAR be exercisable subsequent to ten (10) years after its date of grant.

(h) Transferability. Except as otherwise provided in this Paragraph 9(h), or unless otherwise provided by the Administrator, SARs granted to a Participant under this Plan shall not be transferable or subjected to execution, attachment or similar process, and during the lifetime of the Participant shall be exercisable only by the Participant. A Participant shall have the right to transfer the SARs upon such Participant's death, either to the deceased Participant's designated beneficiary (such designation to be made in writing at such time and in such manner as the Administrator shall approve or prescribe), or, if the deceased Participant dies without a surviving designated beneficiary, by the terms of such Participant's will or under the laws of descent and distribution, subject to any limitations set forth in the Plan or otherwise determined by the Administrator, and all such distributees shall be subject to all terms and conditions of the Plan to the same extent as would the Participant.

## 10. PERFORMANCE SHARE UNITS

Performance Share Units granted under this Plan shall be subject to such terms and conditions not inconsistent with the Plan as the Administrator shall determine, including the following:

(a) Grants. The terms of any grant of Performance Share Units shall be confirmed by the execution of a Performance Share Unit Agreement. The terms of any Performance Share Unit Agreement shall specify the target number of Performance Share Units established for the Participant, the applicable performance conditions, the performance period, and any vesting period applicable to the Award.

(b) Performance Conditions. The Administrator shall set performance conditions based upon the achievement of specific performance objectives. The Administrator may also set vesting conditions based on the continued employment of a Participant who is an Employee or based on the continued service of a Participant who is a Director, which may or may not run concurrently with the performance period. For purposes of qualifying Performance Share Units as “performance-based compensation” under Section 162(m) of the Code, the Committee may set performance conditions based upon the achievement of Performance Goals. In such event, the Performance Goals shall be set by the Committee on or before the latest date permissible to enable the Performance Share Units to qualify as “performance-based compensation under Section 162(m) of the Code and the Committee shall follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the Performance Share Units under Section 162(m) of the Code, including, without limitation, written certification by the Committee that the performance objectives and other applicable conditions have been satisfied before any payment is made in respect of an Award of Performance Share Units.

(c) Award Calculation and Payment. The actual number of Performance Share Units earned shall be determined at the end of the performance period, based on achievement of the applicable performance goals. Except as otherwise determined by the Administrator at the time of grant, Awards will be paid in Shares equal to the number of Performance Share Units that have been earned at the end of the performance period as of the later of: (1) the date the Administrator has approved and certified the number of Performance Share Units that have been earned, or (2) where applicable, the date any vesting period thereafter has been satisfied. However, the Company, as determined in the sole discretion of the Administrator at the time of grant, shall be entitled to settle its obligation to deliver Shares by instead making a payment of cash substantially equal to the fair market value of the Shares it would otherwise be obligated to deliver, or by the issuance of a combination of Shares and cash, in the proportions determined by the Administrator, substantially equal to the fair market value of the Shares the Company would otherwise be obligated to deliver. The fair market value of a Share for this purpose will mean the Market Price on the business day immediately preceding the date of the cash payment. Notwithstanding the foregoing, if any grant of Performance Share Units to a Participant who is subject to U.S. federal income tax is nonqualified deferred compensation for purposes of Section 409A of the Code, Shares or cash shall only be distributed in a manner such that Section 409A of the Code will not cause the Participant to become subject to penalties and/or interest thereunder.

(d) Cessation of Employee Status. With respect to Participants who are Employees, except as determined otherwise by the Administrator at the time of grant:

(1) If a Participant ceases to be an Employee for any reason, then except as provided in Subparagraphs (d)(2) and (e), below, all Performance Share Units held by such Participant that have not been earned and/or vested shall be forfeited.

(2) In the event a Participant ceases to be an Employee due to death or Disability, all Performance Share Units then held by the Participant that have not yet been earned and/or vested shall immediately become earned and vested to the same extent they would have otherwise been earned if 100% of the target performance condition had been achieved at the end of the performance period.

(e) Vesting on Triggering Event. Except as determined otherwise by the Administrator, notwithstanding anything to the contrary herein contained, upon the occurrence of a Triggering Event, the Employee shall immediately earn and become vested in a prorated number of Performance Share Units. The number of Performance Share Units earned shall be the number of Performance Share Units determined by multiplying the (i) the resulting number of Performance Share Units that would have been earned at the end of the Performance Period by adjusting the Performance Goal targets on a pro rata basis for less than the entire Performance Period and then applying the actual Performance Goal achieved as of the date immediately prior to the date of the Triggering Event, by (ii) the quotient of: (x) the number of days between and including the date of grant and the date of the Triggering Event, divided by (y) the number of days in the Performance Period. In addition, except as otherwise determined by the Administrator, in the case of any individual Employee, if that person ceases to be an Employee during a Protected Period because of a termination of such person’s employment by the Company other than for Cause, any Performance Share Units then held by such Participant that have not yet been earned and/or vested shall become earned and vested on the date of the Triggering Event to the same extent they would have otherwise been earned if the Employee would have been an Employee on the date of the Triggering Event.

(f) Transferability. Except as provided below, Performance Share Units may not be sold, assigned, conveyed, donated, pledged, transferred or otherwise disposed of or encumbered or subjected to execution, attachment, or similar process; provided, however, Shares distributed in respect of such Performance Share Units may be transferred in accordance with applicable securities laws. Any transfer, attempted transfer, or purported transfer of Performance Share Units by a Participant shall be null and void. A Participant shall have the right to transfer Performance Share Units upon such Participant’s death, either to the deceased Participant’s designated beneficiary (such designation to be made in writing at such time and in such manner as the Administrator shall prescribe or approve), or, if the deceased Participant dies without a surviving designated beneficiary, by the terms of such Participant’s will or under the laws of descent and distribution, subject to any limitations set forth in the Plan or otherwise determined by the Administrator, and all such distributees shall be subject to all terms and conditions of the Plan to the same extent as would the Participant.

(g) No Rights as Shareholders. No Participant shall have any interest in any fund or in any specific asset or assets of the Company by reason of any Performance Share Unit granted hereunder, nor any right to exercise any of the rights or privileges of a shareholder with respect to any Performance Share Units or any Shares distributable with respect to any Performance Share Units until such Shares are so distributed.

## 11. DEFERRED STOCK

Deferred Stock granted under this Plan shall be subject to such terms and conditions not inconsistent with the Plan as the Administrator shall determine, including the following:

(a) Grants. The terms of any grant of Deferred Stock shall be confirmed by the execution of a Deferred Stock Agreement.

(b) Distributions of Shares. Each Participant who holds Deferred Stock shall be entitled to receive from the Company one Share for each share of Deferred Stock, as adjusted from time to time in the manner set forth in Paragraph 13, below. However, the Company, as determined in the sole discretion of the Administrator at the time of grant, shall be entitled to settle its obligation to deliver Shares by instead making a payment of cash substantially equal to the fair market value of the Shares it would otherwise be obligated to deliver, or by the issuance of a combination of Shares and cash, in the proportions determined by the Administrator, substantially equal to the fair market value of the Shares the Company would otherwise be obligated to deliver. The fair market value of a Share for this purpose will mean the Market Price on the business day immediately preceding the date of the cash payment. Deferred Stock shall vest and Shares shall be distributed to the Participant in respect thereof at such time or times as determined by the Administrator at the time of grant (taking into account any permissible deferral elections); provided, however, that, with respect to any Participant who is subject to U.S. federal income tax, Shares or cash distributed in

respect of Deferred Stock shall only be distributed in a manner such that Section 409A of the Code will not cause the Participant to become subject to penalties and/or interest thereunder; and provided, further, that no Shares shall be distributed in respect of Deferred Stock prior to the date on which such Deferred Stock vests.

(c) Cessation of Employee Status. With respect to Participants who are Employees, except as determined otherwise by the Administrator at the time of grant:

(1) If a Participant ceases to be an Employee for any reason, then except as provided in Subparagraphs (c)(2) and (d), below, all Deferred Stock held by such Participant on the date of termination that has not vested shall be forfeited.

(2) In the event a Participant ceases to be an Employee on or after such person's normal Retirement date or due to early retirement with the consent of the Administrator, or due to death or Disability, all Deferred Stock then held by such Participant shall immediately vest.

(d) Vesting on Triggering Event. Except as determined otherwise by the Administrator, notwithstanding anything to the contrary herein contained, in connection with a Triggering Event, all deferred stock then held by Participants shall immediately vest upon any of the following:

(1) If the Company's shares remain publicly traded on a national securities exchange after the Triggering Event, upon termination of an Employee's employment by the Company other than for Cause, during a Protected Period or within two years following a Triggering Event.

(2) Upon a Triggering Event where the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event, unless the Deferred Stock are converted, on a tax-free basis, into deferred stock based on the shares of an acquiring corporation that is publicly traded on a national securities exchange; or

(3) If the Company's shares do not remain publicly traded on a national securities exchange after the Triggering Event and the outstanding SARs are converted, on a tax-free basis, into deferred stock based on the shares of an acquiring corporation that is publicly traded on a national securities exchange, upon termination of Employee's employment by the Company other than for Cause during a Protected Period or within two years following a Triggering Event.

In the event of accelerated vesting due to the termination of Employee's employment during a Protected Period as described above, the accelerated vesting will occur as of the date of the Triggering Event.

(e) Transferability. Except as provided below, Deferred Stock may not be sold, assigned, conveyed, donated, pledged, transferred or otherwise disposed of or encumbered or subjected to execution, attachment, or similar process; provided, however, Shares distributed in respect of such Deferred Stock may be transferred in accordance with applicable securities laws. Any transfer, attempted transfer, or purported transfer of Deferred Stock by a Participant shall be null and void. A Participant shall have the right to transfer Deferred Stock upon such Participant's death, either to the deceased Participant's designated beneficiary (such designation to be made in writing at such time and in such manner as the Administrator shall prescribe or approve), or, if the deceased Participant dies without a surviving designated beneficiary, by the terms of such Participant's will or under the laws of descent and distribution, subject to any limitations set forth in the Plan or otherwise determined by the Administrator, and all such distributees shall be subject to all terms and conditions of the Plan to the same extent as would the Participant.

(f) No Rights as Shareholders. No Participant shall have any interest in any fund or in any specific asset or assets of the Company by reason of any Deferred Stock granted hereunder, nor any right to exercise any of the rights or privileges of a shareholder with respect to any Deferred Stock or any Shares distributable with respect to any Deferred Stock until such Shares are so distributed.

(g) Dividends and Distributions. Except as otherwise provided by the Administrator at the time of grant, if a Participant holds Deferred Stock on the last day of any fiscal year of the Company, the Participant shall be granted as of such date a number of additional shares of Deferred Stock equal to the quotient of (i) the aggregate amount of dividends (or other distributions) which would have been received by the Participant during such fiscal year if the shares of Deferred Stock held by the Participant (whether or not vested) on the record date of any such dividend or distribution had been outstanding common stock of the Company on such date, divided by (ii) the average of the Market Prices on the last trading day of each full or partial calendar quarter during such fiscal year in which the Participant held Deferred Stock. Where a distribution of Shares to a Participant in respect of Deferred Stock in accordance with Subparagraph 11(b) above is made before the end of the Company's fiscal year, a pro rata portion (based on the date of distribution) of any shares of Deferred Stock that would otherwise be granted to the Participant at the end of such fiscal year, but for the fact that the Participant will not continue to hold such shares of Deferred Stock at the end of such fiscal year, shall be paid to the Participant in Shares at the time such Shares are distributed to the Participant in connection with dividends and/or distributions paid during the year to shareholders of record before such distribution of Shares, if any. Additional shares of Deferred Stock granted under this Subparagraph 11(g) shall vest and be distributed on the same terms and in the same proportions as the shares of Deferred Stock held by a Participant as of the record date or distribution date shall vest.

(h) Accelerated Distribution. The Administrator may not, at any time after Deferred Stock held by a Participant has vested, accelerate the time that Shares or cash are or is distributed with respect to such Deferred Stock, except where such an acceleration would not cause the Participant to become subject to penalties and/or interest under Section 409A of the Code.

## 12. LAWS AND REGULATIONS

Each Option Agreement, Restricted Stock Agreement, Restricted Stock Unit Agreement, Performance Share Unit Agreement, SAR Agreement or Deferred Stock Agreement shall contain such representations, warranties and other terms and conditions as shall be necessary in the opinion of counsel to the Company to comply with all applicable federal and state securities laws. The Company shall have the right to delay the issue or delivery of any Shares under the Plan until (a) the completion of such registration or qualification of such Shares under any federal or state law, ruling or regulation as the Company shall determine to be necessary or advisable, and (b) receipt from the Participant of such documents and information as the Administrator may deem necessary or appropriate in connection with such registration or qualification.

## 13. ADJUSTMENT PROVISIONS

(a) Share Adjustments. In the event of any stock dividend, stock split, recapitalization, merger, consolidation, combination or exchange of shares, or the like, as a result of which shares of any class shall be issued in respect of the outstanding Shares, or the Shares shall be changed into the same or a different number

of the same or another class of stock, or into securities of another person, cash or other property (not including a regular cash dividend), the total number of Shares authorized to be offered in accordance with Paragraph 4 and the other limitations contained in Paragraph 4, the number of Shares subject to each outstanding Option, the number of Shares of Restricted Stock then held by each Participant, the number of shares to which each then outstanding SAR relates, the number of shares to which each outstanding Award of Deferred Stock, Restricted Stock Unit or Performance Share Unit relates, the exercise price applicable to each outstanding Option and the Grant Value of each outstanding SAR shall be appropriately adjusted as determined by the Administrator.

(b) Acquisitions. In the event of a merger or consolidation of the Company with another corporation or entity in which the Company is not the survivor, or a sale or disposition by the Company of all or substantially all of its assets, the Administrator shall, in its sole discretion, have authority to provide for (1) waiver in whole or in part of any remaining restrictions or vesting requirements in connection with any Award granted hereunder, (2) the conversion of outstanding Options, Restricted Stock, Restricted Stock Units, SARs, Performance Share Units or Deferred Stock into cash and/or (3) the conversion of Awards into the right to receive securities of another person upon such terms and conditions as are determined by the Administrator in its discretion.

(c) Binding Effect. Any adjustment, waiver, conversion or other action taken by the Administrator under this Paragraph 13 shall be conclusive and binding on all Participants.

#### 14. TAXES

(a) Options and SARs. The Company shall be entitled to pay and withhold from any amounts payable by the Company to a Participant the amount of any tax which it believes is required as a result of the grant, vesting or exercise of any Option or SAR, and the Company may defer making delivery with respect to cash and/or Shares obtained pursuant to exercise of any Option or SAR until arrangements satisfactory to it have been made with respect to any such withholding obligations. A Participant exercising an Option or SAR may, at his or her election, satisfy his or her obligation for payment of required withholding taxes by having the Company retain a number of Shares having an aggregate value (based on the opening sale price per Share on the New York Stock Exchange on the date the Option or SAR is exercised) equal to the amount of the required withholding tax.

(b) Restricted Stock. The Company shall be entitled to pay and withhold from any amounts payable by the Company to a Participant the amount of any tax which it believes is required as a result of the issuance of or lapse of restrictions on Restricted Stock, and the Company may defer the delivery of any Shares or Share certificates until arrangements satisfactory to the Administrator shall have been made with respect to any such withholding obligations. A Participant may, at his or her election, satisfy his or her obligation for payment of required withholding taxes with respect to Restricted Stock by delivering to the Company a number of Shares which were Restricted Stock upon the lapse of restrictions, or Shares already owned, having an aggregate value (based on the opening sale price per Share on the New York Stock Exchange on the date the Shares are withheld) equal to the amount of the required withholding tax.

(c) Restricted Stock Units, Performance Share Units and Deferred Stock. The Company shall be entitled to pay and withhold from any amounts payable by the Company to a Participant the amount of any tax which it believes is required as a result of the grant or vesting of any Restricted Stock Units, Performance Share Units or Deferred Stock or the distribution of any Shares or cash payments with respect to Restricted Stock Units, Performance Share Units or Deferred Stock, and the Company may defer making delivery of Shares with respect to Restricted Stock Units, Performance Share Units or Deferred Stock until arrangements satisfactory to the Administrator have been made with respect to any such withholding obligations. A Participant who holds Restricted Stock Units, Performance Share Units or Deferred Stock may, at his or her election, satisfy his or her obligation to pay the required withholding taxes by having the Company withhold from the number of Shares distributable, if any, a number of Shares having an aggregate value (based on the opening sale price per Share on the New York Stock Exchange on the date the Shares are withheld) equal to the amount of the required withholding tax.

#### 15. EFFECTIVENESS OF THE PLAN

The Plan, as approved by the Company's Executive Compensation and Human Resources Committee and Board of Directors, shall become effective as of the date of such approval, subject to ratification of the Plan by the vote of the shareholders.

#### 16. TERMINATION AND AMENDMENT

Unless the Plan shall theretofore have been terminated as hereinafter provided, no Award shall be granted after February 16, 2021. The Board of Directors of the Company may terminate the Plan or make such modifications or amendments thereof as it shall deem advisable, including, but not limited to, such modifications or amendments as it shall deem advisable in order to conform to any law or regulation applicable thereto; provided, however, that the Board of Directors may not, without further approval of the holders of a majority of the Shares voted at any meeting of shareholders at which a quorum is present and voting, adopt any amendment to the Plan for which shareholder approval is required under tax, securities or any other applicable law or the listing standards of the New York Stock Exchange (or if the Shares are not then listed on the New York Stock Exchange, the listing standards of such other exchange or inter-dealer quotation system on which the Shares are listed). Except to the extent necessary for Participants to avoid becoming subject to penalties and/or interest under Section 409A of the Code with respect to Awards that are treated as nonqualified deferred compensation thereunder, no termination, modification or amendment of the Plan may, without the consent of the Participant, adversely affect the rights of such Participant under an outstanding Award then held by the Participant.

Except as otherwise provided in this Plan, the Administrator may amend an outstanding Award or any Stock Option Agreement, Restricted Stock Agreement, Restricted Stock Unit Agreement, SAR Agreement, Performance Share Unit Agreement or Deferred Stock Agreement; provided, however, that the Participant's consent to such action shall be required unless the Administrator determines that the action, taking into account any related action, (i) would not materially and adversely affect the Participant or (ii) where applicable, is required in order for the Participant to avoid becoming subject to penalties and/or interest under Section 409A of the Code. The Administrator may also modify or amend the terms of any Award granted under the Plan for the purpose of complying with, or taking advantage of, income or other tax or legal requirements or practices of foreign countries which are applicable to Employees. However, notwithstanding any other provision of the Plan, the Administrator may not adjust or amend the exercise price of any outstanding Option or SAR, whether through amendment, cancellation and replacement grants, or any other means, except in accordance with Paragraph 13 of the Plan.

#### 17. OTHER BENEFIT AND COMPENSATION PROGRAMS

Payments and other benefits received by an Employee under an Award granted pursuant to the Plan shall not be deemed a part of such Employee's regular, recurring compensation for purposes of the termination, indemnity or severance pay law of any country and shall not be included in, nor have any effect on, the determination of benefits under any other employee benefit plan, contract or similar arrangement provided by the Company or any Subsidiary unless expressly so provided by such other plan, contract or arrangement, unless required by law, or unless the Administrator expressly determines otherwise.

#### 18. FORFEITURE OF AMOUNTS PAID UNDER THE PLAN

The Company shall have the right to require any Participant to forfeit and return to the Company any award made to the Participant pursuant to this Plan (or amounts realized thereon) consistent with any recoupment policy maintained by the Company under Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act or any Securities and Exchange Commission Rule, as such policy is amended from time to time.

#### **19. NO RIGHT TO EMPLOYMENT.**

The Plan shall not confer upon any person any right with respect to continuation of employment by the Company or a Subsidiary, nor shall it interfere in any way with the right of the Company or such Subsidiary to terminate any person's employment at any time.

#### **20. LIMITATIONS ON FULL-VALUE AWARD GRANTS**

Notwithstanding any other provision of this Plan, for any grant of Performance Share Units, Restricted Stock, Restricted Stock Units, or other full-value award under the plan:

- (a) that is earned based on performance, the minimum performance period will be one year; or
- (b) that is earned based on tenure (and is not covered under subparagraph (a)), the minimum restricted period will be three years, provided that such minimum three-year restriction will not apply to grants representing up to 125,000 shares.

#### **21. GOVERNING LAW**

The Plan shall be governed by and interpreted in accordance with the laws of the State of Wisconsin, United States of America, without regard to its conflict of law provisions.

(l) Shares issued on the exercise of an Option will rank *pari passu* with the Shares in issue on the date of allotment.

## 5. ADJUSTMENTS

(a) The adjustment provisions relevant to Options in Paragraph 13(a) of the Main Plan shall apply for the purposes of this Scheme in so far as (i) Paragraph 13(a) of the Main Plan meets the provisions of Paragraph 22(3) of Schedule 4 and (ii) there is a variation of the share capital of the Company within the meaning of Paragraph 22(3) of Schedule 4, provided that no such adjustment to any Options granted under this Scheme shall be made without the prior approval of the Revenue.

(b) Any discretion exercised by the Administrator in respect of the waiving of any vesting requirements pursuant to Paragraph 13(b) of the Main Plan shall be exercised fairly and reasonably.

(c) For purposes of this Scheme, the provision in Paragraph 13(b)(2) of the Main Plan allowing for the conversion of outstanding Options into cash shall not apply.

(d) For purposes of this Scheme, the provisions in Paragraph 13(b)(3) of the Main Plan allowing for the conversion of outstanding Awards into the right to receive securities of another person shall not apply.

## 6. EXCHANGE OF OPTIONS

(a) The provisions of this Paragraph 6 apply if a company (the “Acquiring Company”):

(1) obtains control of the Company as a result of making a general offer to acquire:

(A) the whole of the issued ordinary share capital of the Company (other than that which is already owned by it and its subsidiary or holding company) made on a condition such that, if satisfied, the Acquiring Company will have control of the Company; or

(B) all the Shares (or those Shares not already owned by the Acquiring Company or its subsidiary or holding company); or

(b) Exchange. If the provisions of this Paragraph 6 apply, Options may be exchanged by a Participant within the period referred to in paragraph 26(3) of Schedule 4 by agreement with the company offering the exchange.

(c) Exchange terms. Where an Option is to be exchanged the Participant will be granted a new option to replace it. Where a Participant is granted a new option then:

(5) with effect from exchange, the provisions of the Main Plan and this Scheme will be construed in relation to the new option as if references to Shares are references to the shares over which the new option is granted and references to the Company are references to the body corporate determined under the provisions of Paragraph 6(c)(1) of this Scheme.

## 7. ADMINISTRATION OR AMENDMENT

The Scheme shall be administered under the direction of the Administrator as set out in the Main Plan provided that for so long as the Administrator determines that the Scheme is to be an Approved Scheme, no amendment for which prior approval by the Revenue is required under the Act shall be made, so far as it relates to any “key feature” of the Scheme (as defined in paragraph 30(4) of Schedule 4), without the prior approval of the Revenue.

To be effective, the election must be made by notice in writing received by the Secretary of the Company (i) on or before the December 31 immediately preceding the beginning of the Election Period for an individual serving as a on such date, and (ii) on or before the tenth business day after the date the Director becomes a Director for an individual becoming a Director during a calendar year. Any such election made by a Director within 10 business days after becoming a Director shall only apply to that portion of the Retainer that is attributable to services performed by the Director subsequent to the date of the election. The number of shares of Deferred Stock granted shall equal (i) the elected percentage of the amount of the Retainer payable to the Director for the Election Period to which the election relates (not including any portion of the Retainer attributable to services performed prior to the date of election for an electing Director who becomes a Director during the year), divided by (ii) the Average Trading Price for that Election Period (rounded to the nearest whole share). Such Deferred Stock shall be granted, automatically and specifically without further action of the Board of Directors, on the first day immediately following the last day of such Election Period and will be fully vested on that date.

**3. Annual Grant of Deferred Stock or Restricted Stock.**

- (a) *Grant of Deferred Stock.* Each individual serving as a Director on the first day of each calendar year shall be granted on that day, automatically and specifically without further action of the Board of Directors, a number of shares of Deferred Stock equal to \$105,000 divided by the Market Price on the last trading day of the immediately preceding year (rounded to the nearest whole share). Such Deferred Stock shall vest in equal installments on the last day of each calendar quarter during the year in which granted. Each individual becoming a Director during a calendar year shall be granted, automatically and specifically without further action of the Board of Directors, a number of shares of Deferred Stock equal to (i) \$105,000 multiplied by a fraction, the numerator of which is the number of days after the date the Director becomes a Director through the next December 31, and the denominator of which is 365, (ii) divided by the Market Price on the last trading day prior to the date of grant (rounded to the nearest whole share). The date of grant of such Deferred Stock shall be the date the Director becomes a Director. Such Deferred Stock shall vest as follows: on the last day of the calendar quarter during which the Director becomes a Director, a number of shares of such Deferred Stock shall vest equal to the total number of shares granted multiplied by a fraction, the numerator of which is the number of days after the date the Director becomes a Director through the last day of the quarter during which the Director becomes a Director, and the denominator of which is the number of days after the date the Director becomes a Director through the next December 31, and thereafter the balance of the shares of such Deferred Stock (if any) shall vest in equal installments on the last day of each remaining calendar quarter during the year. Shares of Deferred Stock granted under this paragraph will not vest if the Director is no longer a member of the Board of Directors on the vesting date, and any shares of Deferred Stock held by a Director which remain unvested at the time the Director ceases to be a member of the Board of Directors shall be forfeited.
- (b) *Alternative Grant of Restricted Stock.* Instead of receiving a grant of Deferred Stock under this paragraph 3, a Director shall have the right to elect to receive a number of shares of Restricted Stock equal to the number of shares of Deferred Stock the Director would otherwise have been granted. To be effective, such election must be made by notice in writing received by the Secretary of the Company (i) on or before December 31 of the immediately preceding year for an individual serving as a Director on the first day of any calendar year, and (ii) on or before the tenth business day after the date the Director becomes a Director for an individual becoming a Director during a calendar year. Any

such election to receive Restricted Stock made by a Director within 10 business days after becoming a Director during a calendar year shall only apply to that portion of the Deferred Stock the Director would otherwise have received that is attributable to services performed by the Director in and after the first full calendar quarter subsequent to the date of the election and subsequent calendar quarters during the same calendar year. The date of grant of such Restricted Stock shall be the first day of the full calendar quarter beginning subsequent to the date of the election, and such Restricted Stock shall vest on the same basis as such Deferred Stock would have vested. Where an election to receive Restricted Stock is made by a Director within 10 business days after becoming a Director during a calendar year, the Director shall receive a grant of Deferred Stock equal to that number of shares of Deferred Stock the Director would otherwise have received attributable to services performed by the Director between the date the Director becomes a Director and the last day of the calendar quarter in which the election is made.

**4. Deferred Stock: General Provisions**

- (a) *Distribution of Shares.* The Company shall settle Deferred Stock granted under these Terms and Conditions in Shares. Shares shall be distributed in respect of such Deferred Stock (but only to the extent vested, as rounded to the nearest whole Share) on the earlier of the third anniversary of the date of grant (the “Fixed Distribution Date”) or, upon a Director ceasing to be a member of the Board of Directors, within 30 days after the date of such cessation. However, a Director holding Deferred Stock granted under these Terms and Conditions shall have the right to extend the Fixed Distribution Date (any such extended date or further extended date as provided below is also referred to below as the “Fixed Distribution Date”) by a period of five years or more for each such extension provided in each case the election to extend the Fixed Distribution Date is made by notice in writing delivered to the Secretary of the Company more than 12 months before the then existing Fixed Distribution Date. Notwithstanding the foregoing, if a distribution of Shares under this paragraph would otherwise occur outside of a “Trading Window” (as defined in the Manpower Inc. Statement of Policy on Securities Trading), then the Company may delay the distribution of such Shares until the beginning of the next Trading Window.
- (b) *Dividends and Distributions.* On the first day of each calendar year, each Director shall be granted, automatically and specifically without further action of the Board of Directors, a number of shares of Deferred Stock equal to (i) the aggregate amount of dividends (or other distributions) which would have been received by the Director during the immediately preceding year if the Deferred Stock held by the Director (whether or not vested) on the record date of any such dividend or distribution had been outstanding common stock of the Company on such date, (ii) divided by the Average Trading Price for the preceding calendar year (rounded to the nearest whole share). Notwithstanding the foregoing, a Director who ceases to be a member of the Board of Directors shall be granted, automatically and specifically without further action of the Board of Directors, on the day following the date of such cessation, a number of shares of Deferred Stock equal to (i) the total amount of dividends which would have been received by the Director during the year in which termination occurs if the Deferred Stock held by the Director (whether or not vested) on the record date of any such dividend had been outstanding common stock of the Company on such date, (ii) divided by the Average Trading Price for the period from January 1 of such year through the date of such cessation (rounded to the nearest whole share). In the event of any distribution other than cash, the foregoing shall be applied based on the fair market value of the property distributed. Additional shares of Deferred Stock granted under this subparagraph 4(b) shall be settled and Shares distributed in respect of such Deferred Stock at the same time as the Deferred Stock to which the dividends and distributions relate.

**5. Other Provisions**

- a. These amended and restated Terms and Conditions shall become effective on February 16, 2011, and effective on that date shall supersede and replace the amended and restated Terms and Conditions Regarding the Grant of Awards to Non-Employee Directors under the 2011 Equity Incentive Plan in effect immediately prior thereto..
